#### Who am I?

Let's play a guessing game! Read these clues and see if you can figure out what I am.

I have a head, but I can't think.

I have a body, but I can't feel.

I wear a cap, but only when I'm working.

I can spill all my secrets without saying a word.

Can you guess who am I?

### Magic Numbers

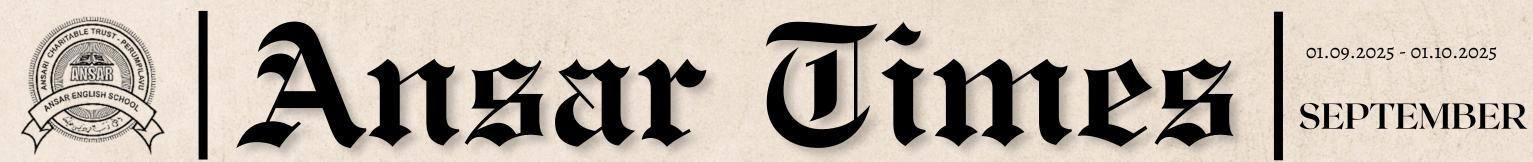

The goal is simple: fill in the 3x3 grid so that every row, every column, and both main diagonals add up to the same "magic" number. For this puzzle, that number is 15.

We've started it for you, but a few numbers are missing. Can you crack the code?
